## TECHNOLOGY TODAY AND TOMORROW

How am I going to engage our attendees differently at my next event?  
And what tech solutions will help me do that?

Tech Solution	What I love about it!	I'd like to use it for ...	What info do I need to know to make it happen?

## COOL APPS FOR PRODUCTIVE HABITS

The Meeting Pool team will be sharing various apps and technology solutions with you during the conference and we want to make sure you don't miss a thing! Here's a quick way to jot down the apps that they will introduce to you and create new productive habits going forward! Remember you can always go by the TECHbar and ask them to show you how to use it, and start today!

App	What it can do for me	New habits I can create by using it!	I will start using it... (today, next week, by end of this year.)
