Building Events That Build Community

We are at our best
when we feel supported
in community

People engage and
bring others when they
feel it's a community

Community is what
makes it stick at events

5 Indicators of Thriving Communities

People:

Know each other

Connect each other

Share and realize
dreams

Share gifts and talents

Share interests

thriveatwork

Share and realize dreams

Passion projects
Larger Stories
Dreaming
Small Acts

Know each other

Appreciating origins
Art of conversation
Storytelling

Connect each other

Quality introductions
Network weaving
Rituals

Community
Building Habits

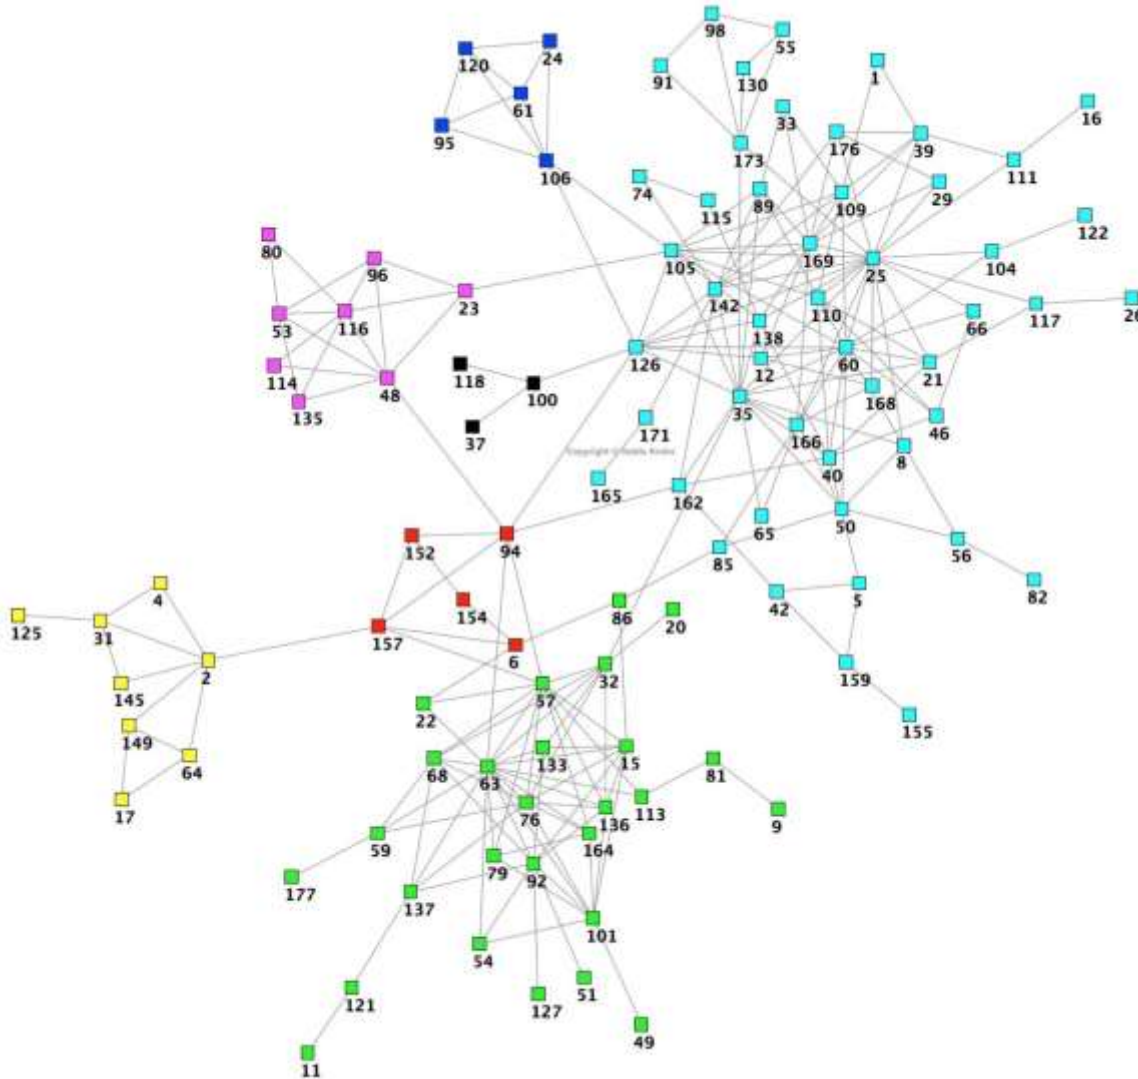

Share gifts and talents

Asset mapping
Collaboration projects
Matching gifts to wishes

Share interests

Communities of interest
Hosting new conversations

Network Weaving

- Closing Triangles
- Connecting introductions
- Connecting connectors

The Agile Canvas

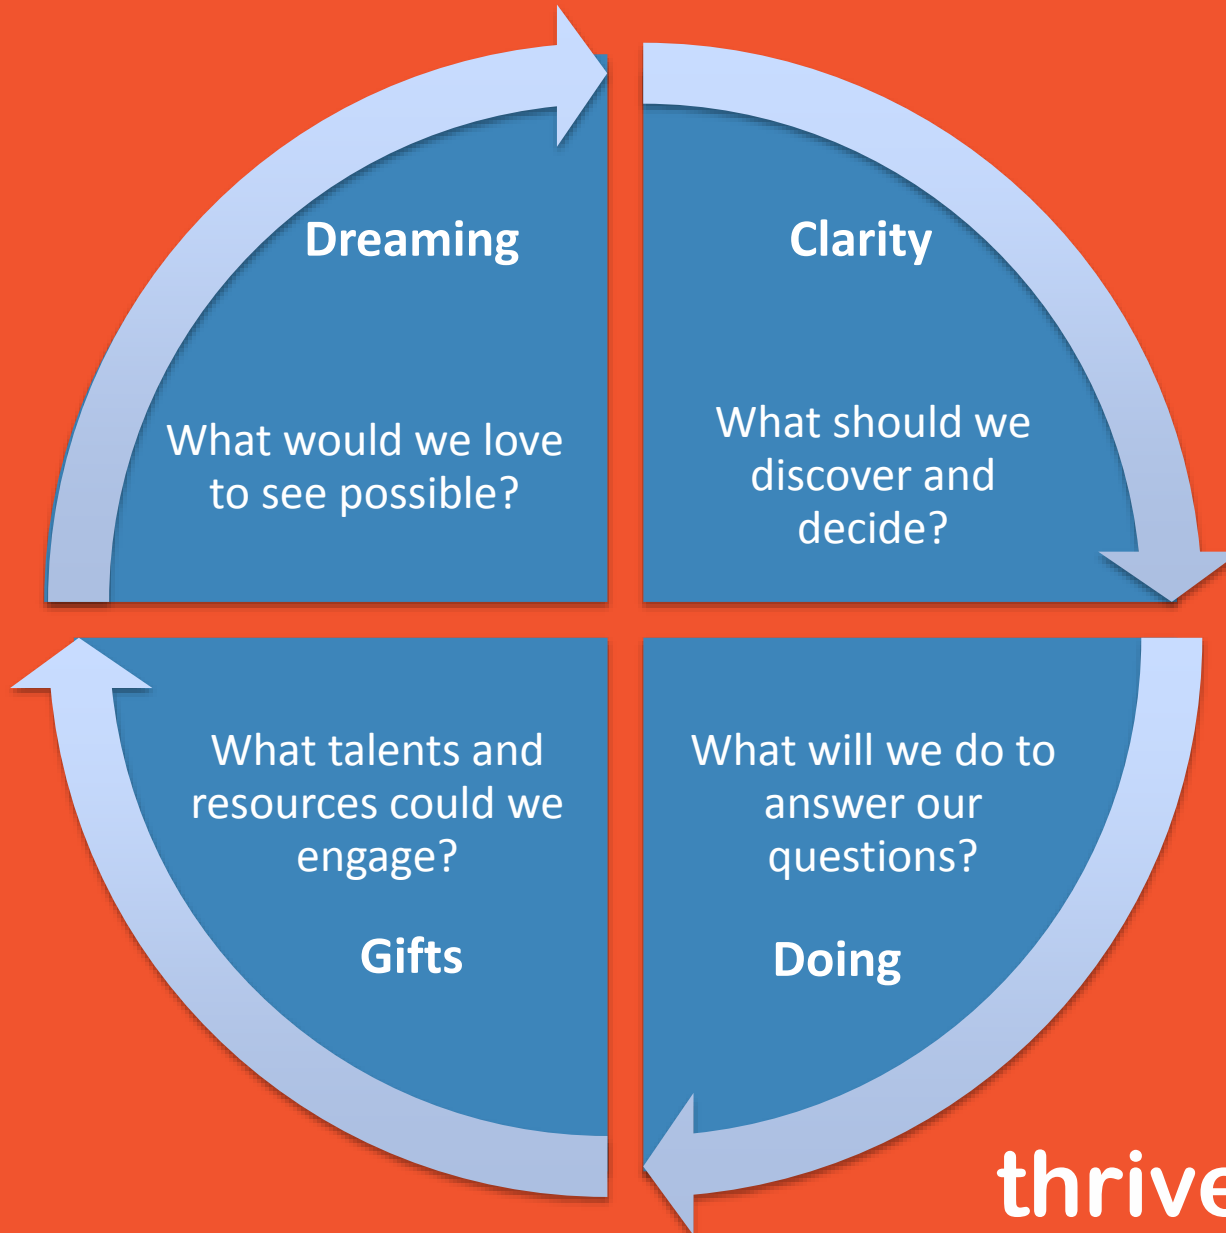

Community Building With Your Teams

What habits are you already engaging in and through your events?

What habits would you most like to explore and develop in your events?

Using the Agile Canvas to Grow Community
